

1. I have read and understand the provisions of the Poland Street Access Ordinance as they apply to the work proposed in this application.
2. I shall construct and maintain the entrance or other improvement in accordance with the provisions of the Poland Street Access Ordinance.
3. I agree to pay for or provide any culverts, grading, or other drainage work necessary to accommodate the scope of work applied for in this application, and to maintain necessary drainage on the affected existing road area.
4. The Road Commissioner or his agent will determine the necessary size and length of any culvert required.
In those cases where unusual conditions exist or a commercial project is proposed, the applicant may be required to provide, at his expense, any necessary drainage calculations or watershed analysis to properly size any work required.
5. The applicant and/or property owner agree to pay for the cost of any public improvements required by this application.
6. The applicant and/or property owner agree to indemnify and hold harmless, the Town of Poland against all suits, claims, damages, and proceedings of every kind, arising out of the construction, maintenance or use, of said entrance or improvement within the right of way, including snow removal.
7. Submission of a scaled drawing on a separate sheet of paper showing the horizontal lay-out and vertical cross section of the project may be required.
