Camp Description:

Camp North Star offers a traditional resident camp experience blended with a relaxed and sensitive camp culture that encourages each camper's personal growth. A diverse community with international campers and staff from more than 15 countries promotes a sense of global consciousness among all campers. Our program is designed to give campers plenty of activity choices to explore their interests, strengthen their skills and provide them plenty of time to play, rest and reflect. Located on 200 acres of towering pines and dramatic rock outcroppings, the camp surrounds a private lake and features newly renovated cabins, an arts center, theatre, dance studio, a small animal farm, tennis courts, athletic fields, riding stables and miles of trails.
