Town Manager Report

April 20, 2010

- Staff is busy getting ready for May 3 district budget meeting, May 11 referenda votes June 8 election / referendum. Making sure timelines work, ballots available, voter reg. List up to date, etc.
- Doing lots of follow up from town meeting – supplemental budgets, finalizing deeds, etc. with land donors, etc.
- Have been reviewing the plans for water mains on Maine Street
- Have been working with John Cleveland on getting work done on the needed TIF amendment in South Village
- Went to Planning Bd and got Jordan Shore Drive rehab approved.
- Working w/ Engineer on the final design and bids for Jordan Shore Dr. Also corresponding with residents about a required signed agreement to pay for proper conduit under road if they desire one.
- Been working on a policy regarding foreclosed properties and repurchase agreements, as well as a draft policy for Mobile Vendors to be licensed.
- Obtained information of putting the Town Hall on the National Historic Register.
- Met with a potential developer.
