### Town Manager Report

April 7, 2009

- Lots of preparation for Town Meeting.
- Meetings with Supt of Schools regarding RSU budget process and referendum voting.
- Lots of time spent w/ O'Donnell on issues related to personal property and web hosting both the old values and the proposed values.
- Attended a Western Maine Lakes and Mountains Tourism Council Meeting to begin to include Poland and the GEMS of 26 into their work.
- Preparation for the 3/31 extra meeting.
- Have been working with Cherie to do some analysis on our pensions and insurances budget as well as some budget projections for the end of the year.
- Lots of work related to TIF research and follow up to make sure we are compliant with the state's expectations.
- Finalized two grants for the Conservation Commission – an Open Space Planning Grant and a Forest Management Planning Grant. Also, it was confirmed that Pike Industries has generously offered \$2,500 to the town for the matching funds for these projects
- Did some follow up work with bank officials interested in Poland.
