Town Manager Report

May 6, 2009

- Was on vacation from 4/20 – 4/24.
- Additional coordination with the RSU about their budget / referendum process, as well as the bank bidding process.
- Worked on an economic development opportunity of behalf of a local business looking to expand.
- Worked on the revised Personnel Policy (w/ senior staff) in preparation for discussions w/ the BOS about future merit pay and insurance contributions, overtime, and other issues. Will probably want to workshop w/ the BOS in June on these topics.
- Had some meetings / work on possibly hooking up PCS to our well.
- Held meetings on the (bleak) future of sharing a CEO
- Held a Safety Committee meeting – reviewing two important policies, and are close to finalizing the voluntary BLS Worksafe inspections & compliance findings they issued.
- Attended a hearing on a proposed tax on bottled water.
