Town Manager Report Sept. 15, 2009

- 1) Several more economic development meetings over the last two weeks, including research / meetings of Rural Development Grants (not looking good), low interest loans, CDBG income surveying & process (Grants), professional services building near Gun Club, meeting with property owners across from PRHS, etc.
- 2) Also, been updating / coordinating with John Cleveland on the several, concurrent "To Dos" associated with Economic Development
- 3) Working on numerous details about trying to get funding for certain Poland Conservation Commission projects.
- 4) Some additional discussion on property accounts / personal property issues.
- 5) Continued inventorying roads.
- 6) Worked on some Safety Policies.
- 7) Worked on the Charter Balloting issue.
- 8) Prep for auditors.
- 9) Worked on some computer protection / back up issues (pro-active; no problems)
- 10) Numerous requests for PWD – trees, ditching, grading, signs, etc. Very hard to even begin to keep up at the pace they are rolling in.
- 11) Meeting regarding upcoming Land Use Code amendments / Town Meeting warrant articles on same. Will forward them to you when drafted.
- 12) Updating the CIP in advance of Planning Bd. presentation.
- 13) Prep for Winter Wellness Kickoff and the Appreciation Dinner.
