

Meeting Notes
Thursday, January 25, 2018
Budget Hearing

CALL TO ORDER – The hearing was called to order at 6:30 PM at the Fire Rescue building with 5 budget committee members, 5 Selectpersons, Town Manager, and Executive Assistant present. Budget committee members Bradley Plante and Jeremy Storer were absent with notification.

LINE ITEM CHANGES

Solid Waste

130-02-5296 Composting – Decrease to \$0 reason being that it is costing the Town more money to have this service than it is saving us in Tipping Fees. Consensus of the Board and Committee is to bring composting in house, barrels still remain available for citizens to dump their scraps but the barrel will be emptied into the Town composting pile.

ITEMS TO REVIEW

120-05-5313 Dam Repair – We are gathering information from Oxford to bring back for review.
150-04-5810 Health Insurance – We need to know how much will go towards HRA Account.

MEETING SCHEDULE

Thursday, February 1st, 6:30 PM at Fire Rescue
