COMMUNICATIONS

OLD BUSINESS

Public Facilities. Will include update from S. Tetenman that addressed several typos in the finished document. Recreation should add the ice rink to their section. Insert language on the ASO section to state that 24 hour coverage could come from other sources. Investigate whether offering an education stipend for per diem firefighters would entice more hires. Insert language about waste oil in the Solid Waste section. Recreation, consider changing location of the Halloween event to Gathering Winds Farms.

Future Land Use. No changes. This follows the Land Use Code.

C-Plan Assessment of Implementation. Information only.
