COMMUNICATIONS

OLD BUSINESS

NEW BUSINESS

Draft Introduction. No changes.

Draft Natural Resources.

Decided to put maps both in the document and to include an appendix with larger maps.

Stan Tetenman to develop language regarding water quality.

Shelley at AVCOG to complete the update of various tables and other data.

Will ask Shelley to request Inland Fisheries give us some data or their take on if warming lake waters are a concern.

June meeting and in person public input discussion.

Will hold a public input session.

Matt to coordinate with Nikki on location and how best to publicize the public hearing.

Matt to ask Shelley the feasibility of producing a complete draft by the next meeting. If that is too high a bar, will push that to the July meeting.
