TOWN OF POLAND, MAINE

Memo

To: Matt Garside, Town Manager

From: Debbie Fitzpatrick, Finance Director

Date: November 15, 2019

Re: Financial Statements for FY 2020

With 20 weeks behind us in fiscal 2020, revenues and expenditures should be approximately 38.46% collected or spent, respectively.

Taxes	Commitment	Collected YTD	% Collected YTD
Real Estate	\$9,777,746.89	\$4,781,759.40	48.90%
Personal Property	1,235,189.98	631,156.71	51.10%
Total	\$11,012,936.87	\$5,412,916.11	49.15%

Ambulance Fees	Runs Charged, Net of Contractual Obligations, Plus Adjustments YTD	Collected, Less Refunds YTD
Poland	113,449.31	\$73,475.62
Mechanic Falls	27,396.95	11,613.36
Total	140,846.26	\$85,088.98

General fund revenues to-date are artificially high, at 85.80% due to the fiscal 2020 tax commitment. Motor vehicle excise, ambulance service fees, code enforcement fees, solid waste service fees, and other fees for services have also grown above expected levels to-date. In addition, seasonal influences, 2019 tax lien assessment and the homestead exemption reimbursement from the State have contributed to the results. State Revenue Sharing levels, however, will continue to track below budget due to revised projections made by the State in late

summer. Please refer to the Bi-weekly Revenue Report in the Board packet for specific line-item details.

General Fund expenditures continue to be under budget overall at 36.71%. However, some budgeted categories are over budget such as: beach maintenance, conservation, social service agencies, ball field maintenance, public works, solid waste, dispatching, animal control, fire hydrants, municipal insurance, and certain employee benefits, being affected by seasonal fluctuations, road construction and quarterly and/or annual contractual payment requirements. Miscellaneous transfers include the funding of the property tax assistance reserve, as well as a fiscal 2019 tree growth revenues transfer to the conservation reserve to fund future land purchases. Please refer to the Fund 10, Bi-weekly Expense Report in the Board packet for line-item details.

TIF expenditures are over budget at 49.84% expended. Debt service payment requirements are the primary reason for the overage. Recreation trail costs are at 53.75% expended, as work continues on the Waterhouse Brook project. Two quarterly hydrant payments have been made, pushing expense above budget. Credit enhancement agreement payments are due to be made from the TIFs as the first half of tax payments have come in. All other expenditures are below budgeted levels.

Recreation operations and programming remain on track; however, drama and music program expense remains above current funding levels.

Ricker Memorial Library revenues and expenditures are running below budget overall. Revenues are low due to the annual transfer from the General Fund is yet to be made. Most other revenues continue to be at or above budgeted levels. Similarly, most library expenditures are at or below budget. Annual subscriptions and service fees, needed facility maintenance, and replenishment of supplies and program costs have pushed other expenditures higher.

As Conservation Commission work continues on the Waterhouse Brook project, \$6,601.56 remains available for future project costs. Donations for the purchase of Lot #6, Hilt Hollow remain unchanged at \$2,420.77. Operating and reserve funds total \$38,329.38 year-to-date.

October 2019 Monthly Report

To: The Board of Selectpersons From: Judith A. Akers, Town Clerk

Dated: November 5, 2019

Town Clerk

This month was busy with the continuation of preparing for the election and issuing absentee ballots. Debbie and I attended a webinar on October 16th with Trio to look in to accepting on line tax payments with Informe and Trio. The cost for the module with Trio is \$2,775.00 and then an annual maintenance and support fee of \$495.00 would be charged. This program only accepts credit card payments with a 2.5% fee that is charged to the customer. We will be looking at other offers that are available with other companies in the upcoming month. Currently a taxpayer can call our office and we can do a credit card payment over the phone for a tax payment and they will still pay a 2.5% fee to the credit card company.

The Annual Employee Dinner was held at the Poland Spring Inn on October 26th. Many of the employees, as well as board and committee members attended. Debbie Fitzpatrick was chosen as the Employee of the year and other employees were given certificates for their years of service. There were some nice door prizes that were given out to those who had their ticket number chosen. A nice time for those who attended.

Monthly Reports

The following transactions were processed in the month of October. ATV's (8), Boats (1), Hunting and Fishing licenses (29) and (1) dog license.

Motor Vehicle Reports for the period of 9/26/2019-10/31/2019

We processed 518 transactions during this period and collected \$110,890.94 in excise tax.

Tax Collector

We collected \$ 3,133,930.20 on real estate taxes, \$11,650.22 on tax liens and \$584,252.47 on personal property taxes. It was a very busy month with many payments being made on all of our tax accounts.

ARTICLE I GRANT OF POWERS TO THE TOWN

- **1.1 Incorporation.** The inhabitants of the Town of Poland, within the limits as now established or as hereafter established in the manner provided by law, shall be a municipal corporation by the name of the Town of Poland.
- **1.2 Powers and Duties.** The Town shall have, exercise and enjoy all the rights, immunities, powers, privileges and franchises, and shall be subject to all the duties, liabilities and obligations provided for herein, or otherwise pertaining to or incumbent upon said Town as a municipal corporation, or the inhabitants or municipal authorities thereof. It may enact bylaws, regulations and ordinances not inconsistent with the Constitution and laws of the State of Maine ("the general law"), and impose penalties for the breach thereof, to be recovered for such uses as said bylaws, regulations and ordinances shall provide. The Town with the approval of the legislative body may acquire property within or without its corporate limits for any town purpose, in fee simple or any lesser interest or estate, by purchase, gift, devise, lease or condemnation, and may sell, lease, mortgage, hold, manage and control such property as its interest may require.

The Town of Poland is part of a Regional School Unit (RSU) in which operations are conducted in accordance with State law. With the exception of the procedures for election of members of the School Committee as set forth in sections 4.1, 4.2, 4.5, 8.1 and 8.2 of this Charter, the RSU shall be governed by the applicable requirements of State law (Title 20-A). If the RSU is dissolved, the School Board shall be governed by the applicable provisions of this Charter.

- **1.3 Construction.** In this Charter, mention of a particular power shall not be construed to be exclusive or to restrict the scope of the powers that the Town would have if the particular power were not mentioned. The Charter shall be liberally construed to the end that the Town may have all the powers necessary or convenient for the conduct of its municipal affairs, including all powers the Town may assume pursuant to the general law.
- **1.4 Intergovernmental Relations.** The Town may exercise any of its powers or perform any of its functions and may participate in the financing thereof, jointly or in cooperation, by contract or otherwise, with any one or more municipalities, states or civil divisions or agencies thereof, or of the United States or any agency thereof.
- **1.5 Amending the Charter.** Amendments, modifications, and revisions to this Charter shall be made pursuant to applicable provisions of the general law.
- **1.6 Periodic Review.** The Board of Selectpersons or its designees will review this Charter at least every ten (10) years unless the Board of Selectpersons makes a determination that earlier review is necessary.

ARTICLE II BOARD OF SELECTPERSONS

2.1 Composition, Eligibility, Election and Terms

- **a. Composition.** There shall be a Board of Selectpersons of five (5) members. The registered voters of the Town shall elect each member of the Board of Selectpersons.
- **b. Eligibility.** Only qualified voters of the Town who reside in the Town shall be eligible to be nominated, to be elected, and to hold the office of Selectperson, and each Selectperson shall be sworn in the manner hereinafter prescribed. Selectpersons shall establish such residence no later than the earliest date on which nomination petitions for the office may be circulated.
- **c. Election, Terms.** Selectpersons shall be elected to serve staggered three-year terms as provided for in Articles VIII and X, and the transitional provisions provided for in Article XI.
- **d. Term limits.** Selectpersons shall serve no more than two (2) consecutive three (3) year terms. Service as an appointed member of the Board to fill a vacant position shall not count toward the maximum period of consecutive service stated in the preceding sentence. After an absence of one year, a person may run for and hold the office of Selectperson again.

- **2.2 General Powers and Duties.** Subject to the provisions of this Charter, the Board of Selectpersons shall constitute the municipal officers of the Town, shall provide for the exercise of all powers and for the performance and administration of all the fiscal, prudential and municipal affairs of the Town, and shall have the powers and duties given to Board of Selectpersons and municipal officers under the general laws of the State of Maine, and such additional powers and duties as may be authorized by this Charter, by ordinance, or by vote of the Town Meeting. Except as otherwise provided for in this Charter and except in cases where the Board of Selectpersons is expressly authorized to enact and amend ordinances under the general law, all the legislative powers of the Town shall be vested in the Town Meeting, and the Town Meeting shall be and constitute the legislative body of the Town as that term is used in the general law. Notwithstanding the foregoing, the Board of Selectpersons shall have the authority to do the following unless otherwise provided for by the general law:
 - **a.** To pay outstanding balances and overdrafts for the fiscal year out of the surplus account or any surplus funds, and to decide what to carry over at fiscal year-end;
 - **b.** To sell and dispose of any real estate acquired by the Town for non-payment of the taxes, thereon, on such terms as it deems advisable and to execute and deliver quitclaim deeds for such, unless prohibited by law;
 - c. To dispose of any Town-owned personal property by competitive bid only, unless doing so is prohibited by law; and
 - d. To permit taxpayers to establish and implement tax payment arrangements and terms deemed by the Board of Selectpersons to be in the public interest in their sole discretion, both as prepayment and latepayment; provided that taxpayers paying taxes after scheduled due dates must be assessed and pay reasonable late-payment charges, interest and other costs, as determined by the Board of Selectpersons in their sole discretion.

This does not apply to elected School Committee members as their term shall be served from July 1st until June 30th.

10.2 Oath of Office. Every officer of the Town shall, before entering upon the duties of that office, take and subscribe to the following oath or affirmation, which shall be filed and kept in the office of the Town Clerk: "I solemnly swear (or affirm) that I will support the Constitution and will obey the laws of the United States and of the State of Maine; that I will, in all respects, observe the provisions of the Charter and ordinances of the Town of Poland and will faithfully discharge the duties of the office of ______." This oath shall remain in effect for the term of office or appointment; or as mandated by state law.

10.3 Conflicts of Interest. If any elected or appointed officer, official, employee, or the spouse of any such person, has a substantial financial interest, direct or indirect, in any contract with the Town or in the purchase or sale of any land, material, supplies, or service to the Town or to a contractor supplying the Town, that person shall make known that interest and shall refrain from voting or otherwise participating in his or her capacity as an elected or appointed officer, official, or employee in making any such purchase or sale or in making such contract. Any such person who willfully conceals said financial interest or that of his or her spouse, or willfully violates the requirements of this Section shall be guilty of malfeasance in office or position and shall forfeit the same. Any contract made in violation of this Section shall be voidable by the Town.

10.4 Disqualification by Familial Interest

- a. Definition of immediate family: an employee's spouse, domestic partner, great-grandparent, grandparent, brother, sister, child, grandchild, or great-grandchild, step-parent, step-child, or the great-grandparent, grandparent, parent, brother, sister, child, grandchild, or great-grandchild, step-parent, step-child, of the employee's spouse or domestic partner, or the spouse or domestic partner of any of them. This also includes individuals for whom the employee is current legal guardian.
- **b.** If an individual is employed by the Town of Poland, neither the person nor any member of the person's immediate family, as defined in section 10.4a, may hold a board position, elected or appointed, that could influence their employment, compensation, or benefits directly or indirectly.
- **c.** No two members of the same immediate family may serve on the same elected body.

10. 5 Prohibited Activities.

- a. Solicitation of Advantage. No person shall directly or indirectly give, render, pay, offer, solicit, or accept any money, service, or other valuable consideration for any appointment, promotion, or proposed promotion to, or any advantage in, a position in Town government. No elected or appointed official or employee of the Town shall solicit or accept any valuable consideration from any person as an inducement to confer a special advantage upon that person in his or her dealing with the Town.
- **b. Political Solicitation.** No officer, official or employee of the Town shall solicit any contributions or services not relating to his or her employment from any Town employee whose compensation, tenure, job security, or other employment benefits are subject to the control or influence of the solicitor.
- **c. Nepotism.** No officer, official or employee of the Town shall solicit a position of employment for an immediate family member or relative.
- **d. Holding elected or appointed office:** If an individual is employed by the Town of Poland, the individual may not hold a board position, elected or appointed, that could influence the individual's employment, compensation, or benefits directly or indirectly.
- e. Violations. Violations of this Section shall be dealt with under Section 2.7 of this Charter and under

any ordinance or personnel policy that the Town or Board of Selectpersons may adopt.

- **10.6 Separability.** If any provision of this Charter is determined to be invalid, the other provisions shall not be affected thereby. If the application of this Charter to any person or circumstances is held to be invalid, its application to other persons or circumstances shall not be affected thereby.
- **10.7 Repealing Clause.** All acts and parts of acts of the private and special laws of Maine relating to the Town of Poland that are inconsistent with the provisions of this Charter are repealed.
- **10.8 Short Title.** This Charter shall be known and may be cited as the "Poland Town Charter". The Town Clerk shall cause it to be printed and made available to the public.

10.9. Petition for Elimination of the Town Meeting.

Not less than fifteen percent (15%) of the registered voters of the Town may petition over their personal signatures for a referendum to vote upon the question of abolishing the Town Meeting pursuant to the procedures set forth in this Section.

Five (5) or more registered voters of the Town may begin the referendum proceedings by a request in writing to the Town Clerk for petition blanks. Said voters shall be referred to as the "Elimination Committee." The date the Town Clerk receives the request in writing constitutes the date that the Elimination Committee is established.

All copies of the petition shall be uniform in size and style and shall include the complete text of the ballot issue and the names of the Elimination Committee. The ballot issue shall read "Shall the Town vote to eliminate the Town Meeting and Article VII of the Poland Town Charter, and grant to the Board of Selectpersons as the Town Council full authority to approve the annual budget and to exercise all legislative powers of the Town." Each registered voter who signs the petition of the Elimination Committee shall include a place of residence, providing either the street and number or a description sufficient to identify the place. The petition shall be signed in the presence of a registered voter of the Town who shall certify to the validity of the signatures collected.

If a petition is signed by at least fifteen percent (15%) of the voters certified by the Town Clerk, containing their names and addresses, and is filed with the Board of Selectpersons requesting that the ballot issue on the elimination of the Town Meeting be submitted to the voters, within one year of the establishment of the Elimination Committee, then the Board of Selectpersons shall call such a public hearing to be held within thirty (30) days after the Town Clerk's certification of such petition. After the public hearing, the proper election officials of the Town shall take such steps as may be necessary to place such question upon the ballot at the next general election or at a special election called for that purpose.

If at such general election or special election a majority of the voters of the Town voting on the question shall vote for the abolition of the Town Meeting of the Town of Poland, the powers heretofore vested in the Town Meeting shall be conferred upon and exercised by the Board of Selectpersons thereafter designated and known as "the Town Council," Article VII shall be deleted in its entirety, and all other references to action or authority of the Town Meeting shall be modified to make it clear that all powers formerly vested in the Town Meeting are conferred upon and to be exercised by the Town Council, provided that such vote shall be effective if and only if the total number of votes cast for and against the question equals or exceeds thirty percent (30%) of the total votes cast in the municipality at the last gubernatorial election.

ARTICLE XI TRANSITIONAL PROVISIONS

- **11.1 Effective date.** This Charter, if adopted by the Town of Poland voters at the June 10, 2008, election, shall become effective on July 1, 2008, for all purposes, except that the transitional provisions for the purposes of conducting elections shall take effect immediately. The first local election held under the authority of this Charter will be the next general election in 2009 as provided in Article 8.1.
- **11.2 Budget Committee.** The current Budget Committee members will remain the Budget Committee until the next general election under this Charter when the voters will elect four (4) candidates to serve staggered terms of two, and three years (two candidates for each term) on the Budget Committee. The two candidates receiving the highest vote totals will serve three (3) years, the candidates receiving the third and fourth highest vote totals

will serve two (2) years. In case of a tie, the Town Clerk will direct those involved to draw lots to see which candidate(s) win(s) which positions. Those members will take office immediately. The Board of Selectpersons will appoint three members, one to serve three (3) years, one to serve two (2) years, and one to serve 1 (one) year. Subsequent terms will be for three (3) years.

- **11.3 Budget.** The existing budget in effect at the time of the effective date of this Charter shall remain in effect and may be amended only as permitted by this Charter.
- **11.4 Town Manager.** The incumbent Town Manager at the effective date of the Charter remains the Town Manager unless the position is vacant on that date, in which case the Board of Selectpersons will appoint a Town Manager. Thereafter the appointment and removal of the Town Manager shall be done according to general law.
- **11.5 Existing Ordinances.** All Town ordinances, regulations, orders, or resolves in effect at the time of adoption of this Charter, not inconsistent with the provisions and/or intent of this Charter, shall remain in effect until amended or repealed; provided, however, that the Town's existing ordinance for the recall of elected officials titled "An Ordinance Providing for Recall of Elected Officials" is repealed.
- **11.6 Existing Officers and Employees.** All existing officers, board and committee members, department heads, employees and officials of the Town shall continue to serve until and unless replaced or removed as provided in this Charter.
- **11.7 Existing Contracts and/or Obligations.** All contracts or obligations of the Town or any of its departments existing at the effective date of this Charter shall be enforced, continued, completed, or honored in all respects as though begun or executed hereunder. Pending proceedings not completed at the effective date of this Charter shall continue but shall be subject to and limited by the requirements of this Charter.
