Memo

To: Board of Selectpersons

From: Nikki Pratt, General Assistance Administrator

CC: Matt Garside, Town Manager

Date: 9/14/2018

Re: General Assistance Appendix Adoption

Following this memo is the information for the public hearing regarding the General Assistance Appendix Adoption. I have highlighted below how the changes specifically affect GA here in Poland.

Appendix A - Increases the overall maximum based on the number of persons in the household.

1 Person - \$641 will increase to \$669

2 Person - \$726 will increase to \$736

3 Person - \$915 will increase to \$932

4 Person - \$1,169 will increase to \$1,193

5 Person - \$1,397 will increase to \$1,461

For each Additional +\$75 which is the same as the current.

This means that those who didn't qualify before for GA because they were over income may now qualify due to the slight increases that were made.

Appendix B - No changes from previous year

Appendix C – Increases the amount allowed for housing.

0 Bedroom - Increased from \$483 per month to \$503 and \$581 per month to \$604

1 Bedroom - Increased from \$538 per month to \$540 and \$659 per month to \$664

2 Bedroom - Increased from \$709 per month to \$711 and \$838 per month to \$847

3 Bedroom - Increased from \$896 per month to \$907 and \$1,079 per month to \$1,094

This means that those who qualify for GA will receive more money for housing expenses than previous.

Appendix D – No changes from previous year

To: The Board of Selectpersons From: Judith A. Akers, Town Clerk

I received the following memo that is attached from Joanne Messer with regards to Barbara Howard today. Barbara was serving on the Board of Trustees with a one year term which will expire as of Town Meeting 2019. From reading this memo one would assume that she will no longer be serving on the Board of Trustees which would open up her term.

At the election we did have one other write in for this position that might be willing to serve on the Board of Trustees once the Board of Selectperson's opens up this position as a vacant position.

Thank you.

Town Manager Report 18 September

- At the 4 September Select Board meeting I provided an update to a request that a streetlight be installed at the Poland Corner/Harris Hill Road intersection. The Planning Board recommended that a street light not be installed, but that a four way stop could be a better alternative. Since both roads are State Aid roads, I asked MDOT to look at installing a four way stop.
 - MDOT reported "Based upon the information we have for traffic and crash data, no warrants are met for a four way stop at this intersection. If you would like me to proceed with an official study I will need to have authorization from the State Traffic Engineer and we would need to collect field data. Field data will not be collected until next spring or summer. If approved, we should be able to get an official response next summer. At this point, I think that it is doubtful that warrants will be met. Installing a four way stop when warrants are not met could create more safety issues."
- Met two Poland business owner's.
- Met with RSU Superintendent and Town Managers of Mechanic Falls and Minot.
- Met with RSU Superintendent and Poland Recreation Director to discuss facility use.
- Attended Senior Tax Committee meeting. Moving forward, working on draft ordinance.
- Attended initial Marijuana Committee meeting. Scheduled presentation by JBGH on marijuana law for next meeting.
- Attended CEDC meeting.
- Maine Municipal Association Convention October 3-4, Augusta.

TOWN OF POLAND, MAINE

Memo

To: Matt Garside, Town Manager

From: Debbie Fitzpatrick, Finance Director

Date: September 14, 2018

Re: Financial Statements for FY 2019

With 11 weeks behind us in fiscal 2019, revenues and expenditures should be approximately 21.15% collected or spent, respectively.

Revenues remain on-track overall with other state revenues trailing, awaiting State distribution over the remainder of fiscal 2019. The Town has recorded the 2018 tax commitment and has received 75% of the homestead reimbursement, which artificially inflates the total percent collected to 85.45%. Many local revenues continue to exceed the 21.15% collected level such as vehicle excise, ambulance service and code enforcement fees, solid waste revenues, and other fees for services. Please refer to the Bi-weekly Revenue Report in the Board packet for further details.

Expenditures continued to be slightly over expended in total, or 31.81%, largely due to timing differences on payment of contracts, insurance, employee benefits, education costs, annual contributions made to the library and capital improvement programs, payment of county taxes, and other seasonal costs.

During the month of August 2018, this office continually answered phone calls pertaining to permit information, realtor requests, zoning information and other various Planning and Community Development issues. There were 20 scheduled office appointments regarding various building permit and shoreland permit projects in the month of August. Scott Neal is performing all building (residential and commercial), plumbing, and complaint inspections. Electrical inspections are being performed by Raymond Cloutier. Scott Neal performed 56 inspections, and Ray Cloutier performed 29 inspections for the month of August.

There were a total of 48 building and shoreland zoning permits, 0 road entrance, 16 electrical permits, and 11 plumbing permits issued with a total cost of work of \$742,802.00 for the month of August. I have attached the permit breakdown for the month.

The Planning Board had meetings on August 14th and August 28th. There are openings for two alternate members for the Planning Board, and one alternate member for the Board of Appeals.

There were 6 Certificates of Occupancy issued for the month of July.

Sarah and I attended 2 Planning Board and θ Board of Appeals meetings.

Respectfully submitted,

Scott Neal

NOTE: Multiple inspectors on an inspection can over inflate actual inspection count

Poland Parks & Recreation Department Monthly Report: <u>August 2018</u>

Director Note:

9 weeks of camp have flown bye and we wrapped up on August 24th. We had a staff BBQ on 9/20 and a camper BBQ on 9/22. We used our inflatable's the last week of camp. Staff worked very hard to provide a great experience for the campers, led by Paige Brousseau, our camp director. Paige will be wrapping up her master's degree this winter and heading off into the career world. She did an amazing job transitioning our program from the school site to Camp Connor. We wish her well on her next journey and we will miss having her around next summer. We will start the search for a new camp director this fall. A couple of things we are looking to change for next yr. (1) Adjust the time from 7am-6pm (11 hours) to 7:30am- 5:30pm (10 hours). We kept track of time when campers were dropped off and picked up and do not feel the adjusted time will impact many families. The time adjustment will allow us to group staff in more efficient and manageable shifts. (2) We will look to hire 4 additional staff next summer. The additional staff will mostly be focused on lifeguarding and will provide other support. This will require us to increase our fees (estimated cost \$5,000 per staff-training and salary). For every new staff, we would have to increase the weekly fee by \$5.00. We are looking at going from \$130.00 per weekly resident fee to \$160.00. The \$30.00 increase will cover the 4 additional staff, plus the minimum wage increase for 2019. We are also getting our 2019 campership program campaign started this fall, to make sure we have the necessary funds to support family's that would need the financial support so their kiddos can attend our camp.

Poland Seniors:

- -No Meeting in August
- -Carousel Music Theater on August 8 was amazing. The seniors who attended had a meal and watched a 1940's musical "All hands on Deck"
- -Regular Wed activity at the Senior Center are still going on.

Town Hall Use:

-Beyond our regular activity, the town hall had the following activity; Wood Carvers convention;

Fall Sports: We have been preparing for Art Class, Football, Soccer, Field Hockey, Tumbling, Destination Imagination and Lego Robotics. We have been ordering equipment, uniforms, lining fields, finding coaches, organizing teams and schedules, etc...

RSU16 Notification; We received a letter in early August about potential adjustments that RSU16 is proposing to implement in order to comply with their 2016 facility use policy. It is unknown at this time what the impact will be associated with potential fees and access. I will be attending some meetings this fall to gain a better understanding.

Maintenance: We have been creating a work space in the back of the old firehouse for Carl to be able to store tools and fix things. There are no renovations or cost, just good ole sweat equity.

Upcoming Planning:

- **-Halloween on the Hill-** October 5 @ Poland Preservation Park 5:30pm-8:30pm/ \$10 per car. Proceeds-50% to support our campership program and 50% supports Poland Preservation Society.
- -Camp Connor:
 - -Continuing to seek funds for Camp Connor renovations.
 - -2019 Campership Campaign
- **-Infant-Toddler Music Program**. We are exploring offering an Infant-Toddler music class with the Community School Music teacher Katie McFarland.
- -Review & update Recreation portion of Comprehensive Plan-TBD.

August 2018 Monthly Report

To: The Board of Selectpersons

From: Judith A. Akers, Town Clerk of Poland

Town Clerk

In the month of August we started receiving requests for absentee ballots via the state website. The warrant was prepared and was posted for the upcoming Special Town Meeting scheduled for September 13, 2018. I prepared all of the handouts for the meeting and sent Ed Rabasco, Jr. a copy as he has agreed to be the moderator for the meeting. Again it was another vacation month for the front office. I heard back from Trio with regards to their fee for the Moses interface and it will be \$500.00 and \$110.00 for the annual maintenance fee. I did reach out to Chet Chessman and let him know this is something we didn't budget for this year. I did talk to a couple of Town Clerks and they said we can still do it without the interface. At this point I'm not sure if it makes it harder without it. I need to do a little more research and get back to Chet on it.

Monthly Reports for Inland Fisheries and Wildlife

The following transactions were processed in the month of August. ATV's(27), Boats(20), Hunting and Fishing Licenses(28) and Dogs(5).

Motor Vehicle Reports for the period of 7/26/18-8/31/2018

We processed 698 registrations and collected \$127,460.66 in excise for this period.

Tax Collector

We collected \$106,740.31 on real estate taxes, \$22,177.20 on tax liens and \$0.00 on personal property taxes. The mil rate was set on August 21, 2018 for the 2019 taxes and they were committed on August 22, 2018.
