Please attach two letters (written within one year of the date of this application) from a teacher, guidance counselor or community member reflecting academics, community involvement, extracurricular and/or personal traits and qualities. Letters should include phone and/or email address of references.

Please submit a brief informative essay about yourself as a person, why you are applying for a PSF award and the educational program you intend to pursue at the school listed.

I affirm that the above information and statements are correct to the best of my knowledge. If I am a recipient of a PSF award and I leave school during the semester following its receipt, I accept the responsibility to repay the amount of my scholarship within one year of my withdrawal.

I am aware that my PSF award will not be issued to the college or technical school I am attending until I have provided verification of having successfully completed my first semester of the school year.

Signature of Applicant _____ Date _____
